

YOUTH DEVELOPMENT

The Youth Development Programs provide positive direction, training and encouragement to youth to develop and enhance their life skills. The Youth Crime Prevention and Teen Leadership Club are components of the Youth Development Programs.

Youth Crime Prevention Program

The Youth Crime Prevention Program serves middle and high school students, deferring them from the juvenile justice system.

Teen Leadership Clubs

Teen Leadership Clubs, located in middle and high schools, promote Christian values and help teens increase their awareness of educational and career choices.

Activities offered through the youth development programs include:

- ◆ Community Awareness
- ◆ Teen Summits & Conferences
- ◆ Field Trips
- ◆ Youth Employment
- ◆ Step Teams
- ◆ Drum Lines
- ◆ Teen Drop-in-center
- ◆ Teen Leadership Institute
- ◆ Life Skills Workshops

"FCAA...A Place Where Lives Are Changed!"

FCAA... THE ORGANIZATION

The Family Christian Association of America, Inc. (FCAA, incorporated on February 9, 1984) is a non-profit, social and human services organization open to anyone interested in its mission, vision and programs. Through its many programs and services, FCAA strives to help its participants become successful and independent.

GOVERNANCE

FCAA has a member Corporate Board of Directors of committed volunteers who formulate policies, develop financial resources for program development and monitor staff implementation of policies. To accomplish its purpose, the Association may establish and provide for the conduct and maintenance of The Family Christian Association of America's work in one or more sections of America. All branches established by the Association shall be under the control and direction of the board of Directors.

MISSION

FCAA serves communities and helps its members achieve independence Through emphasis on Christian values, strong families, and self-determination.

VISION

We will create an enduring visionary organization that will be recognized a leader in the areas of youth development, family services and sports.

FAMILY SERVICES

The Family Services Programs are designed to help families achieve independence. The Early Head Start/Head Start and Elementary schools programs are components of the Family Services Programs.

Head Start/Early Head Start Program

The Early Head Start/Head Start Child Development Program is a comprehensive early childhood development program that serves children from birth to age 5, pregnant women and their families. The program provides children from low-income families with the early training needed to be successful with entering kindergarten.

Elementary Schools Program

The elementary schools program are available for children needed after school care, and child care during holidays, teacher's workdays, and summer. This program serves children in various elementary schools.

Additional activities offered through the family services programs include

- ◆ Family workshops
- ◆ Conferences and seminars
- ◆ Family activities & outings
- ◆ Financial planning seminars
- ◆ Personal development seminars
- ◆ Cultural enrichment activities

SPORTS

The Sports Program provides opportunities for boys and girls to learn team and individual sports, experience outdoor camping, develop positive socialization skills and to understand that sportsmanship, discipline and teamwork are the winning style of a good athlete and citizens.

Activities offered through the sports programs include:

League Sports

- ◆ Flag Football
- ◆ Basketball
- ◆ Baseball
- ◆ Bowling
